Faculty pathway for AI-native pedagogy and builder mentoring.

Structured faculty practice for teaching systems that evolve, assessing capability, and mentoring student builders.

Degrees stay with your institution.

ASPIRATION

Teaching systems that evolve monthly needs more than tool demos.

Faculty need structured practice and a mentoring model that keeps pace with student builders.

01 AI-native teaching

02 Evidence-ready academic practice

03 Builder mentoring

FACULTY IN THE ECOSYSTEM

Student transformation needs teaching-system capability.

Resonance connects mentored capstones, pedagogy redesign, and faculty evidence to institutional learning.

01 Students gain critique depth

02 Curriculum gains assessment redesign

03 Leadership gains teaching evidence

PRACTICE TRACK

Redesign teaching systems—not only chat prompts.

Pedagogy Quest, Teaching Sprint, Faculty Practice Cohort, prework, and showcase produce reviewable redesign artifacts.
